DAY OF DISCUSSION

Episcopal Triennial Convention Works on Divorce Question. San Francisco, Oct 11.- Ine question of marriage and divorce was before both houses of the trienglal convention of the Episcopal Church of America today. The hishops adopted a substitute for the pro-posed canon 27, providing for the disipline of persons marrying again after being divorced. The principal change made by the substitute is the provis that such persons may receive the sacnment on written consent of a bishop. The house of deputies began the eagriy-awaited debate on section 4 of proposed canon M, which virtually prohibits

the church. The announcement that the discussion would be public attracted a large crowd.
